Your Honor,

I am writing on behalf of six fellow citizens charged with violating the FACE Act, specifically Dr. Coleman Boyd and his wife Robin. These Americans were simply doing what their faith required of them. They believe life begins at conception and therefore that they could not allow human life to be destroyed by abortion. Had they stopped a person on the street from killing a helpless infant, they would now be being celebrated as heroes. But, since they tried to save unborn infants, they are in danger of punishment.

I ask you to rule fairly, justly, and even with mercy in this case. After all, the Colemans have 13 children of their own who need their parents. May you have wisdom in your courtroom, in this case and all others that you hear.

Sincerely,

Dear Judge Trauger,

I would like to address the character of Mr. Dennis Green hopefully to give you some perspective before his pending sentencing. I have known Dennis as a missionary that has brought the gospel of Jesus Christ to people that endure oppressive regimes. Dennis would sacrifice time and his own treasure to travel overseas to share the great love of God with people who had never heard of God's great love.

Our family has supported Dennis's missionary trips through donations and through the giving of our used books that he resells to finance these trips. Dennis and his family have always shared the truth of the gospel of Jesus Christ peacefully and compassionately. This family has a dear love for our nation. I know that they are praying for our government leaders, our representatives, and judges. All their actions as pro-life missionaries have the focus of service, preserving life, and ministering to families and single mothers in need. They have spent their lives in service to others and to our Lord Jesus Christ.

We prayerfully followed Dennis and his family's travails when Dennis was fighting for his life, battling cancer. He was miraculously healed. Please be merciful in any sentence that is decided. Dennis has a large family and many grandchildren who would dearly miss their father's presence.

Respectfully,

Re: Dennis Green, Sentencing July 2024

Dear Judge Trauger:

Denny Green has been in various ministries throughout his lifetime. He has raised a beautiful family (please see attached "The Family" in which he gave an update on his kids less than a year ago).

I first met him when his two eldest children were small and he brought them to the abortion clinic to give witness to himself. At the time his 2nd born was just a toddler and now in his 30's. Then he started to bring number three. He and his wife, Ruthy met in college and have always supported each other. They went on to have children until they didn't come anymore. When his children were young he had one pregnant woman after another share his family's home for as long as she needed before and after the pregnancy. Later, with his children, he built a home from scratch with their own hands.

I ask for your mercy and leniency on Denny at his sentencing next month. He has no agenda to cause an overthrow of government but allowed himself to be arrested. My experience is that the women coming out of the clinic after the procedure had no idea it would be so emotionally hard of them. Devastation would be the best word. Would it have been better to try to keep them from entering instead of "I told you so."

Denny is a sincere man, quiet and humble. His family needs him. His life is precious. He took the lead for me in standing up in court for me decades ago without being asked to, and made a difference, by being himself. Please show your mercy to Denny, which you are allowed to do and which I hope you do.

Sincerely,

The Family

All is going well here with the Green family.

Ruthy and I will soon celebrate our 35th anniversary.

I follow up regularly with my oncologist and remain cancer-free.

Caleb is in his thirties now and is married with 3 children, Paton, Josiah, and Haven. His wife's name is Genna. He is a contractor with his own construction company. They live in Richmond, which is about an hour or so from us.

Christian, who is also in his thirties, is married to Sarah and they are expecting baby number three. They have Joshua and Thomas and are expecting a girl for number three. Christian is a millwright foreman. They live about an hour and a half from us.

Gabriel is 28 and lives in Arizona with his wife Amanda and son, Anthony. They are expecting as well.

Charity is 26 and she is married to Zack. Zack sells and delivers sheds/barns. They are expecting #3 in September. They have Hudson and Briella and live about an hour from us. They go to the same church we do so we see them often. They recently purchased a house.

Malachi is 25 and lives right down the road from us. He has his own business hauling mini-barns. He is engaged to Kirsten and they will get married Sept. 2.

Hosanna is next in line. She lives in PA. She is married to Ray and they have a little girl, Selah. Ray also has his own business advertising for the Amish/Mennonite community. They are expecting #2 in Sept.

Noah is about 22 now and he lives about 5 minutes away and he works for Malachi delivering barns.

Faithful is next. She currently lives with Christian and Sarah.

Nathan is 19, still living at home, and works delivering trailers.

Naomi is 17 and is almost done with school. She is Dad's main helper in the bookstore. She does most of the cooking around here because she says I make the same things all the time. She has turned into quite the accomplished chef.

Judah is 14 and wishes he could be done with school. He is a great help to us keeping up with the outside chores (mowing, bush hogging, and vehicle maintenance) to free Dad up to work in the bookstore.

Outreach at the Abortion Mills in Virginia

Mercy is 12 and is in the 6th grade. She is a big help around the house and helps to keep Benjamin occupied and entertained.

Benjamin is now 10 and we are getting ready to teach him to read. He has Down Syndrome so it has been slow and steady progress but he'll get there. He is the sunshine around here. He and Denny are best pals.

Honorable Alleta Trauger,

In reference to an article I recently read, I feel convicted to write to you, the people being charged with "blocking a reproductive health care facility" in Mt. Juliet Tennessee on March 5, 2021 were actually trying to peacefully talk women out of killing innocent helpless babies. Abortion has nothing to do with reproduction. It is murder in the first degree (planned + executed)

I beg you to exercise leniency in sentencing to these six "pro-lifers". They are not violent criminals and should not be punished for their Christian beliefs.

SUBJECT: Upcoming Sentencing of Six Pro-Lifers

Honorable Judge Trauger,

I am writing to you on behalf of the six individuals who were convicted of a felony conspiracy against rights and violating the Freedom of Access to Clinic Entrances Act (FACE Act). Chester Gallagher, Heather Idoni, Calvin Zastrow, Coleman Boyd, Paul Vaughn and Dennis Green are not violent criminals. I just ask that you please exercise leniency in their sentencing because they should not be sent away for years into a federal penitentiary.

These people just want to provide babies with the same right to life as we all have. Abortion is not reproductive health services. It has nothing to do with reproduction. That is a defenseless human being inside the mother's womb and killing them is murder. If we saw someone taking a 2-year-old into a house to murder her, and we stopped it, we would not be breaking the law. In fact, we would be in the wrong by sitting there and doing nothing about it. Why is it that trying to convince an abortion-minded mother to not murder her baby is any different?

Again, I just ask for your leniency towards these six individuals. They are not bad people, but just trying to save the lives of those who cannot defend themselves. I pray that our great God will guide you in your decisions, bless you and keep you. Thank you for your time and consideration in this matter.

God Bless,

Dear Judge Aleta Trauger,

I am writing to offer my heartfelt support for Dennis Green who is currently facing federal Conspiracy and FACE Act violation charges. As someone who has known Dennis for the last five years, I feel compelled to share my perspective on his character and to advocate for a fair and just resolution to his situation.

Throughout my interactions with Dennis, I have consistently witnessed his integrity, kindness, and dedication to his family as well as his "neighbors" on the street corners. He has always demonstrated a strong sense of empathy towards others, and his actions have consistently reflected a commitment to upholding ethical principles. Denny is highly respected, both at home, by the Amish community he serves, at church, and even amongst complete strangers. He is the kind of husband, father, and leader that any respectable parent would hope their young daughter would one day find as their companion.

While I understand the seriousness of the allegations against Dennis, I firmly believe that Dennis's actions were motivated by a deep-seated commitment to protecting the most vulnerable members of our society, and to honor God through his Biblical convictions.

Your Honor, I respectfully urge you to consider the entirety of Dennis's character and his lack of a criminal or violent record. I believe he undoubtedly has the capacity to remain a meaningful contributor to his community and poses zero threat of harm or danger to anyone.

Thank you for taking the time to read this letter and for considering my perspective.

This letter is in regards to the upcoming sentencing of pro-life defendants in July which we understand you will be responsible for. Brother Denny Green attends the same church our family does here in Virginia and it is hard for us to imagine Mr. Green being sentenced for supporting what is right.

Would you please consider what message you are giving to families like us if you sentence Denny? Would you not be saying that my wife and I should have murdered our 8 children? Do you feel that you have more of a right to be alive than the millions of unborn infants whose deaths you would be supporting if you sentence Mr. Green?

Above all, would you consider God, whom you will one day stand before and give account for the decision you make in this matter? 2 Corinthians 5:10 For we must all appear before the judgment seat of Christ; that every one may receive the things *done* in *his* body, according to th

Re: July 2nd sentencing of six defendants convicted of violating the FACE act.

Please your honor, exercise leniency in sentencing. As a fellow American and as a pastor who has ministered for 45 years to Americans I have been preoccupied with justice as yourself. I realize the very concept of justice is more difficult today to find agreement on than anytime in my life. I know you have a very challenging role to play and I pray God would grant you wisdom as you carry out your responsibility. I knew Denny Green personally and have found him to be a kind, considerate man that genuinely cares for others and who has no malice in his heart for anyone. His wife is a sweet and caring person. I'm asking you to be lenient, knowing there is no violence perpetrated or even considered in this matter. Thank you for reading this letter.

Your Honor,

I'm writing to plead for leniency for the six Pro-lifers being sentenced for violating the FACE act. They aren't violent criminals and shouldn't be sent to Federal prison for obeying their biblical, and church, teaching to peacefully protest at an abortion clinic in 2021 by singing, praying, and talking to mothers of unborn babies to save their

babies from destruction. One of those protesters is an ER doctor who has devoted his life to save lives.

The FACE act forbids "blocking a reproductive health care facility", but abortion has nothing to do with reproduction! I'm asking you to show mercy and empathy towards the Pro-lifers. Thank you for your time and attention. I'm the mother of 8 wonderful kids.

Dear Judge Trauger,

I am writing to encourage you *to exercise leniency in the sentencing of those being charged with interfering in women getting abortions*. Would you convict a person who tried to stop the murder of a four year old child, even with the mother's approval? Unfortunately, our culture does not view the killing of preborn persons in the same way we have customarily viewed the taking of other lives. Predictably that also is changing.

As I'm sure you realize, these pro-life people are not violent criminals and should not be sent away for years into a federal penitentiary for seeking to help and love confused mothers, while in the process also saving the lives of their offspring.

I switched from a prochoice person to a prolife person, at least emotionally, by working with these victimized mothers who had believed the lie that the best way to deal with their problems was to kill their own children. Some may think it does not affect them, but many are incredibly disturbed and affected in the aftermath of their drastic actions. Besides, most are there under coercion and if they know there is help they will often choose life. I've never met a mother who regretted choosing life; but I have met those who regretting choosing death.

Please, Judge, do justice and show appropriate mercy.

Sincerely Yours,

Dear Judge Trauger,

I am writing to ask for leniency in your sentencing of Mr. Dennis Green. I have great respect for Mr. Green as a faithful and dedicated husband, father and grandfather. He and his wife have a large family that love him and need him.

I also have great respect for Mr. Green's selfless service to others, having run a home for unwed mothers and has gone on many mission trips around the world. Instead of investing in what this world has to offer, he has invested in people - helping, loving and serving.

Like myself, millions of Americans agree with Mr. Green that abortion is a violent and brutal attack and murder of an innocent child. We commend him for his peaceful, prayerful and sacrificial attempt to save human lives.

Please be lenient in your sentencing to restore him to his family.

It is true; most people are pretty good. However, contrary to popular opinion, not all good people go to Heaven. In fact, you do not have to be a bad person to go to hell. Notice what the Bible says in Titus 3:5: *"Not by works of righteousness which we have done, but according to his mercy he saved us..."* The Bible also states in Ephesians 2:8-9, *"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast."* You can see that even if you are a good person, God's Word declares that your goodness is not sufficient to merit Heaven.

Another interesting fact found in the Bible is that you are not really as good as you think you are. Ecclesiastes 7:20 states, *"For there is not a just man upon earth, that doeth good, and sinneth not. As it is written, There is none righteous, no, not one: For all have sinned, and come short of the glory of God;"* (Romans 3:10, 23)

It is true that you must have goodness to get to Heaven, but the truth is you do not possess that goodness in and of yourself. *"But your iniquities have separated between you and your God, and your sins have hid his face from you, that he will not hear."* (Isaiah 59:2) *"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord."* (Romans 6:23) You see, everyone deserves to die and go to hell because of their sin;

however, Jesus loved us so much that He shed His sinless blood and died in our place. Three days later, Christ arose from the grave, proving that He had conquered death and hell, and establishing that He alone has the power to give us eternal life. *"But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us."* (Romans 5:8)

Think about this. If your goodness could save you, Jesus would have died in vain. The fact is no one can possibly get to Heaven on their own. Jesus Himself stated in John 14:6, *"I am the way, the truth, and the life: no man cometh unto the Father, but by me."*

Perhaps by now you are wondering how you can obtain Jesus Christ's goodness for yourself. It is really very simple. First, you must be genuinely sorry for your sin. Luke 13:3 states, *"... except ye repent, ye shall all likewise perish."* True repentance produces a new way of living. *"I thought on my ways, and turned my feet unto thy (God's) testimonies."* (Psalm 119:59)

Secondly, you must believe that Jesus died for you. *"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation."* (Romans 10:9-10)

Finally, ask Him to save you and take you to Heaven when you die. *"For whosoever shall call upon the name of the Lord shall be saved."* (Romans 10:13). Please call on Him today. You have no guarantee of tomorrow. What a tragedy it would be for a good person like you to die and go to hell.

Why not ask Him to save you right now? You can pray from your heart a simple prayer like this one: *Dear Lord, I now realize that I am a sinner and that You died for me. I repent of my sin, and ask You to now come into my heart, save me, and take me to heaven when I die. Thank You, Lord, for saving me. In Jesus' name, Amen.*

If you have decided to trust Jesus Christ as your Saviour after reading this tract, please write and let us know.

There will be a case on July 3, 2024 involving Dennis Green and 10 other individuals. In January, 2021, the above mentioned were charged with trespassing at an abortion facility. Later, the case was settled with the community, each person was fined and that was the end of it.

This case, technically, should be done with but it will now appear in your court.

Dear Judge Trauger,

We have known Dennis Green, who was convicted in your courtroom in January 2024, for 20 years. We are writing to implore you to consider the most lenient sentence possible for Denny for his July 3 sentencing hearing. Besides being a gentleman, a faithful father, husband, and grandfather, and a former cancer patient, he has given tirelessly to others over the years that we have known him. He has never promoted violence of any kind and has never harmed anyone in any way that can be described as violent. As such, we hope you will not consider prison a suitable penalty for the law he is convicted of breaking.

We know Denny will continue living his life as a faithful Christian whether he is in prison or not, but his family still needs his support and there is no chance of any harm coming to anyone for failing to sentence him to prison time.

Thank you kindly for considering our request.

Sincerely,

Re: Coleman Boyd and the other
5 Defendants
March 5, 2021 case

Please, Your Honor, exercise leniency
in sentencing. They are not violent
criminals and should not be sent away
for years into a federal penitentiary.

"But to those (honorable judges) who
rebuke the wicked, it will go well
with them and they will find delight,
And a good blessing will come upon them."

Dear Judge Trauger,

I write as a close friend of defendant Dennis Green, upon whom you will render sentence in one month.

I plead with you to decree extreme leniency in his case, as well as the 10 others who will also be in your honorable court.

Brother Green is a good⁺ godly man who has followed his conscience and our Lord Jesus for more than 35 years. He simply does not believe our country should murder, as the Sixth Commandment states, especially of the unborn person in the womb. He is kind and humble, and would never engage in physical violence or advocate for it.

I pray that You would find it in Your heart to have mercy on "Denny", and on his 13 children and 14 grandchildren. He lives out being a champion for life.

Your Honor, I thank You for your time and consideration, and "To the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever. Amen."

Sincerely,

David Ashley Pegram, Sr.

Re: Mr. Coleman Boyd

May 30, 2024

Your Honor,

Thank you for taking the time to receive and consider my letter.

I am writing to you on behalf of Mr. Coleman Boyd, an honorable family man in Hinds County, Mississippi. Mr. Boyd and his family, comprising thirteen children, have a significant and positive impact on our community. Their family dynamic is a testament to strong family values, where teaching, learning, and the development of life skills are prioritized. It is always a joy to see them participate in community activities, as their interactions set an exemplary model of how a family should engage with and contribute to society.

The Boyd family lives with a profound sense of purpose, seeking to honor God first and foremost. They place great importance on affirming and supporting each other, while also showing respect and commitment to their community and nation.

Mr. Boyd, in particular, carries a strong sense of duty and responsibility toward his family. His dedication to their well-being and development is evident in all aspects of their lives. The thought of labeling such a devoted family man as a criminal feels deeply unjust.

I humbly ask for leniency in Mr. Boyd's sentencing. He has important work to continue at home, nurturing and guiding his family. His presence is crucial not only to his immediate family but to our community as a whole.

Thank you for considering my plea. May God bless you and keep you, and may His grace fall upon you, giving you peace.

Sincerely,
